Allowable Subject Matter

1. Claims 1-3, 6-7 and 9 allowed.
2. The following is an examiner's statement of reasons for allowance: the claimed invention is allowed because the prior art of record does not teach or fairly suggest in a vehicle having electric starting circuitry and a method of disabling the vehicle comprising an electric heating element, a connector port where a power cord selectively interconnects to the heating element, a sensor disposed within the connector port for detecting if the power cord is physically connected to the heating element, and a first switch coupled to the starting circuit of the vehicle and the sensor, wherein the first switch opens or disables the starting circuit while the sensor detects that the power cord is physically connected to the heating element.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Leonid M. Fastovsky whose telephone number is 571-272-4778. The examiner can normally be reached on M-Th. 8.00 am -6.00 pm.
